

## Terminal charges for vehicles

On all terminals operated by the Cobelfret Group, including all CdMR / CdMZ / CdMP / CdMC companies, Searo Terminals in Zeebrugge, and Terminalco in Ostend, vehicles will be subject to following storage conditions while on site :

### Booked vehicles :

For vehicles that are booked for shipment, below mentioned storage charge will be applied as from the day following arrival on the export terminal and as from the day at arrival in which the free period of 72 hours comes to an end, if they have not been received within same free period.

### Unbooked vehicles :

For vehicles that have not been booked for shipment the below mentioned storage charge will be applied as from the day they are delivered on one of the sites.

### Rate :

On terminals / sites located in the UK :	£ 2	per vehicle / per day
On terminals / sites located on the continent :	€ 2	per vehicle / per day

Other conditions can be valid if agreed differently in a contract explicitly accepted by a subsidiary of the Cobelfret Group.
