## Brexit Bookings and use of EORI numbers

---

Luxembourg, 05/01/2021

Dear Customer,

We experienced that there has been quite some confusion in respect of the use of EORI numbers in bookings and (system) information provided by us. Please find below for your guidance a short overview.

### **Eastbound / UK -> EU**

All routes:

Use EU EORI numbers **OR** if these are not available, which will be the case for most “consignors”, provide address details.

### **Westbound / EU -> UK**

#### ***Temporary Storage:***

EORI numbers are optional.

If they are used, they **MUST** be GB EORI numbers, so please do not use EU EORI numbers. European consignors will usually not have this, so if you would like to provide details, use address details.

#### ***PreLodgment:***

Consignee EORI number is mandatory and **MUST** be GB EORI numbers.

All other fields re consignor/consignee are optional but if they are used, they **MUST** be GB format as above.

#### **CTC**

Consignee EORI number is mandatory and **MUST** be GB EORI numbers.

All other fields re consignor/consignee are optional but if they are used, they **MUST** be GB format as above.

Should you have any queries in relation to the above, please do not hesitate to contact us.
